

Dear Sir / Madam,

We are delighted to intimate you that MGMs Jawaharlal Nehru Engineering College Aurangabad, MS, INDIA, announces **ICISIM-2017; 1<sup>st</sup> International Conference on Intelligent Systems and Information Management** in association with **IEEE Bombay Section**, to be held during 05<sup>th</sup> – 06<sup>th</sup> October, 2017. The finally accepted papers will be considered for presentation during the conference and publication in the soft copy of pre-conference proceedings. **ICISIM-2017 is approved and technically sponsored by IEEE (IEEE Conference ID: 39830)**. The Conference proceedings of accepted papers, which will be presented in the conference, will be submitted to **IEEE Xplore** for publication and indexing, which is indexed with world's leading **Abstracting & Indexing (A&I)** databases, including **CiteSeerX, SCOPUS, DBLP, EI-Compendex, Google Scholar**, etc. as per the agreement between IEEE and A&I service partners. The details of the conference are available at [icisim.jnec.org](http://icisim.jnec.org) for your kind reference. The copy of the detailed Call for Papers (CFP) can be downloaded from the conference website.

**ICISIM-2017** will be an amalgamation of four different tracks organized in parallel. The track details are given below (but not limited to).

<b>Intelligent Systems : Architectures &amp; Applications</b>	
<b>Intelligent Systems</b> <ul style="list-style-type: none"><li>• Image and Signal Processing</li><li>• Computational Biology and Bioinformatics</li><li>• Control and Automation</li><li>• Mobile based applications</li><li>• Interactions between neural networks and fuzzy inference systems</li><li>• Fuzzy Systems and Neural Networks</li><li>• Fuzzy clustering algorithms and optimization techniques</li><li>• Fuzzy inference system optimization</li><li>• Hybrid systems</li><li>• Intelligent Decision Making Systems</li><li>• Autonomic computing</li><li>• Artificial Intelligence</li></ul>	<b>Intelligent Systems : Applications</b> <ul style="list-style-type: none"><li>• Health, Medicine and Bioengineering</li><li>• Transportation, Vehicle based intelligent system</li><li>• Telecommunication</li><li>• Education, E-Learning</li><li>• Business &amp; Finance</li><li>• Environmental Engineering</li><li>• Process Control &amp; Manufacturing</li></ul>

<b>Information Management</b>	<b>Communications &amp;Networking</b>	<b>Smart City</b>
<ul style="list-style-type: none"> <li>• Big Data Analytics</li> <li>• Cloud Computing</li> <li>• Data mining on Big Data</li> <li>• Data Fusion</li> <li>• Grid Computing</li> <li>• Virtualization</li> <li>• Data Visualization</li> <li>• Distributed File System</li> <li>• NLP</li> <li>• Business Information Systems</li> </ul>	<ul style="list-style-type: none"> <li>• WSN</li> <li>• Ad-hoc Networks</li> <li>• Network Security</li> <li>• Optical Switching &amp; Networking</li> <li>• Mobile Computing</li> <li>• Ubiquitous computing</li> <li>• Network and information security</li> <li>• Routing and Control Protocols</li> <li>• Broadband wireless access</li> <li>• Mobile backhaul for small cells</li> <li>• Multiple antenna techniques,</li> <li>• Cognitive radio and networks</li> </ul>	<ul style="list-style-type: none"> <li>• Smart Energy</li> <li>• Smart Environment</li> <li>• Smart Mobility</li> <li>• Smart Technology</li> <li>• Smart Healthcare</li> <li>• Smart Infrastructure</li> <li>• Green Communication systems and Network</li> </ul>

**ICISIM-2017** will be held at **MGMs Jawaharlal Nehru Engineering College, Aurangabad, MS, India**. The conference will provide a platform for technical exchanges within the research community and will encompass regular paper presentation sessions, poster presentations, invited talks, key note addresses and panel discussions. In addition, the participants will be treated to a series of cultural activities, receptions and networking to establish new connections and foster everlasting friendship among fellow counterparts. The conference will also provide opportunity to the participants to visit some of the world's famous tourist places in Aurangabad like Ajanta, Ellora Caves, Devgiri Fort, Bibi KaMaqbara, Ghrishneshwar Temple etc.

### **Paper Submission**

Authors from different parts of the world are invited to submit their papers. Authors wishing to submit their papers must refer to the conference website for paper structuring and formatting guidelines in detail. Authors should submit their papers online. Unregistered authors should first create an account on [Add Member](#) link, to log on and submit paper. Only electronic submissions will be considered. Papers submitted by e-mail will not be considered.

## Review Process, Publication and Indexing

The conference aims at carrying out two rounds of review process. In the first round, the papers submitted by the authors will be assessed on the basis of their technical suitability, scope of work and plagiarism. The corresponding authors of qualifying submissions will be intimated for their papers to be double blind reviewed by three experts on the basis of originality, novelty, clarity, completeness, relevance, significance and research contribution. The shortlisted papers of all the tracks will be accepted for presentation and publication in the Soft Copy of Conference proceedings, bearing **ISBN serial 978-1-5090-4263-0**.

### Publications

The Papers accepted after the review & presented in the conference will be submitted for possible inclusion in Xplore provided they meet quality standards.

### Best Paper Awards

Papers accepted and presented in the conference will be given the opportunity to compete for the Best Paper Award.
